

For Immediate Release

Dr. Rick Mehta

(7 September 2018—Wolfville, NS) The Acadia University Faculty Association (AUFA) was informed on August 31 that the Administration has dismissed Dr. Rick Mehta, an Associate Professor of Psychology and member of AUFA. The termination of a tenured professor is very serious, and AUFA has filed for arbitration while its Senior Grievance Officer and legal counsel examine the Administration's disciplinary procedures and evidence. AUFA has no further comment at this time.
